

## 410-Series IP Camera

You won't believe your eyes when you see the dazzling clarity of our Luma Surveillance 410-Series IP cameras. At 8MP, these cameras offer clarity and peace of mind with dazzling 4K resolution for clear and shadow-free security footage.

### 4K RESOLUTION

8MP captures 3840x2160 pixels to deliver stunning 4K resolution, while Wide Dynamic Range provides unparalleled clarity that covers every inch of your property in detail.

### CONVENIENT, SECURE ACCESS

Access your system remotely with LumaLink. Plus, our exclusive LumaLink technology lets your dealer securely configure your system, keeping you safe from hackers.

### KEEP A WATCHFUL EYE

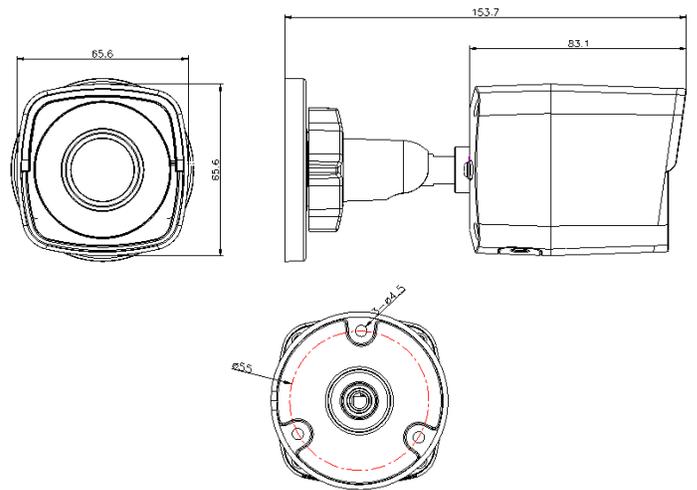

Get peace of mind by keeping an eye over everything you value most. Our Smart Motion Technology will immediately alert you to any unusual or suspicious activity on your property.
