

Premium Audio. Stunning Good Looks.

Episode Expandable Soundbar

The Episode Expandable Soundbar brings edge-to-edge sound and sharp aesthetics to your entertainment setup.

Customized Sound

Whether your TV is 50" or 70", this soundbar will adjust to match the length for a truly immersive audio experience.

Stylish Design

You'll be proud to show off this soundbar's modern design with its aluminum cabinet and metal grille.

Showstopping Audio

True to the Episode brand, the Expandable Soundbar delivers superior sound based on scientific innovation with premium materials.

Low-Profile

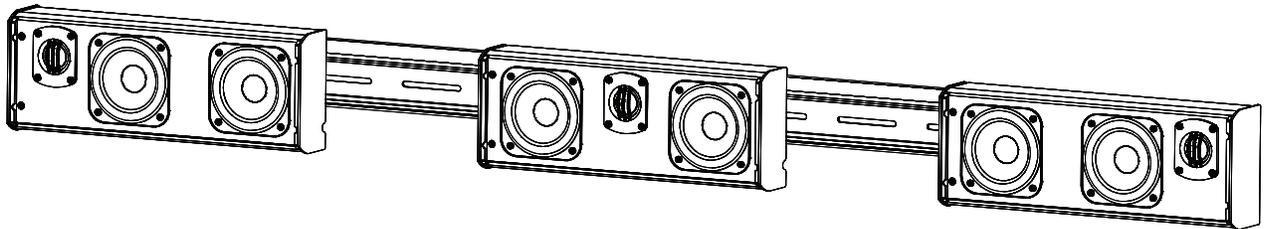

Thanks to a design that sits only 3" off the wall, this soundbar will match your flat-panel TV perfectly.
