LEGION RACKS

Reversing the Front Door

1. Open the door and pull the hinge pins free, then slide the door out of the rack.
2. Flip the door and attach it to the opposite side of the rack (latch will be upside down).

Adjusting the Rack Rails

1. Remove the screws using the allen key from the inside of the rack.
2. Move the cage nuts to the new location.
3. Reinstall screws through the vertical rails.

3-Year Limited Warranty

Legion Rack products have a 3-Year Limited Warranty. This warranty includes parts and labor repairs on all components found to be defective in material or workmanship under normal conditions of use. This warranty shall not apply to products which have been abused, modified or disassembled. Products to be repaired under this warranty must be returned to your local Legion distributor with prior notification.
