

## PURPOSE AV DISPLAYPORT (M) TO HDMI (M) CABLE

SKU: **PAV-DPHD-X**

The PAV-DPHD cable connects DisplayPort sources directly to HDMI displays. Male to male configuration eliminates the need for an additional cable, simplifying and reducing the number of failure points within the set-up process.

Certified for in-wall installations, go into every job site with confidence knowing that PURPOSE AV products meet and exceed nationally recognized stringent standards.

REQUIRES A DP++ PORT (HDMI AND DVI COMPATIBLE) IN ORDER TO WORK

### FEATURES

- » **Purpose Connect:** Our HDMI connectors have purposefully designed ridges that make loose connections a thing of the past
- » **Locking Connector:** DisplayPort connector grips in place to eliminate unsecure connections
- » **Gold-Plated Connectors:** High quality signal transfer and corrosion resistant
- » **4K:** Supports 4K resolution for crystal clear video
- » **DisplayPort 1.4:** Meets VESA standards
- » **FT4 Certified:** Go ahead and install it in-wall.

PURPOSE

## OUR PURPOSE

CHANGING THE LIVES OF YOUTH  
THROUGH CHARITABLE GIVING

Purpose AV was created with the mission of bringing social responsibility to everyday AV essential. We do this by donating a percentage of annual sales to charities that positively impact the lives of children and youth across Canada.
