

# The choice is yours.

## Finally there's an outdoor TV for any weather on any budget.

SunBriteTV has three distinct series, each designed to bring a crystal-clear picture to your outdoor living space. All SunBriteTVs are built with bright screens and a durable, powder-coated aluminum exterior that is outdoor safe and weather-tight for permanent outdoor installation. Just choose the model that's right for your application.

### Veranda Series

Full Shade

Introducing the NEW Veranda Series, where outdoor meets affordable. Stop using an indoor TV for your screened-in porch or patio. Now there's a true, outdoor-rated, 4K UHD TV with HDR that is brighter, safer and reliable.

- SB-V-43-4KHDR-B – 43" Veranda
- SB-V-55-4KHDR-B – 55" Veranda
- SB-V-65-4KHDR-B – 65" Veranda
- SB-V-75-4KHDR-B – 75" Veranda

### Signature Series

Partial Sun

The benchmark for partial sun TVs has been completely upgraded for even greater performance. The all-new 4K UHD commercial-grade screens with TruVision anti-glare technology are up 3 times brighter than typical indoor TVs.

- SB-S-43-4K – 43" Signature
- SB-S-55-4K – 55" Signature
- SB-S-65-4K – 65" Signature
- SB-S-75-4K – 75" Signature

### Pro Series

Full Sun

Designed to withstand the harshest environments, the Pro Series is completely weatherproof and features ultra-bright, heat-resistant screens for direct sunlight applications.

- SB-3211HD – 32" Pro
- SB-4217HD – 42" Pro
- SB-4917HD – 49" Pro
- SB-5518HD – 55" Pro
