Contents

SE-350-WT-CH

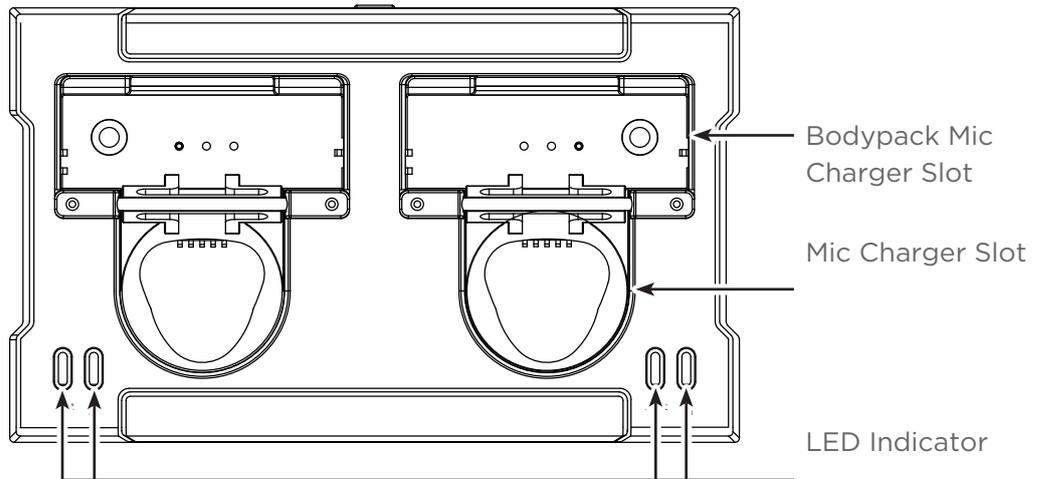

Rechargeable Batteries
4 included

Power Adaptor
12 VDC @ 2.5A

Features

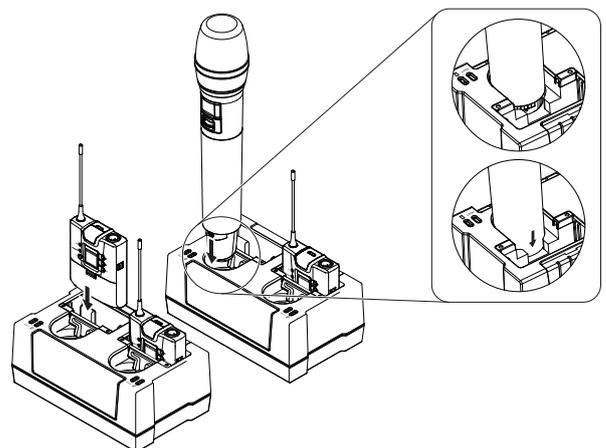

Charging the Batteries

Plug the Microphone or bodypack lavalier into the charger slot.

The charging indicator will flash green while charging, and change to solid green when fully charged.

Notes:

- The charging indicator illuminates once AC power is connected.
- Ensure the transmitters and charging points are in contact as shown in the figure.
- Each slot can only charge one item at a time.

Warranty

1-Year Limited Warranty

This Sense™ Product has a One-Year Limited Warranty. This warranty includes parts and labor repairs on all components (except batteries) found to be defective in material or workmanship under normal conditions of use. This warranty shall not apply to products that have been abused, modified, or disassembled. Products to be repaired under this warranty must be returned to SnapAV or a designated service center with prior notification and an assigned return authorization number (RA).
