

HORIZON SERIES
 Hz33/Hz33UX

Description

The Horizon™ Hz33 Series features two models of soundbars which accurately reproduce music and dialogue, whether it is from a fully-equipped 5.1 home theater system or mounted with a stand-alone panel. Each speaker features world-class woofers and is available with audiophile-grade tweeters to ensure superb dynamic range and tonal clarity, delivering a theater experience to any television.

Key Features

- Custom crafted to match the exact width and finish of any display
- Easily mounts to articulating TVs or to the wall with Leon's brackets
- As thin as 2" deep to ensure compatibility with flat-screen TVs
- Solid MDF construction, handcrafted in the USA
- Available as L/C/R, L/R or Center-only channels

Recommended Pairings: Axis AxV60, Detail Ds33UX, Aaros A8-400
