

HORIZON SERIES Hz44/Hz44UX

Description

The Horizon™ Hz44 Series, one of Leon's most widely used product lines, offers some of the best and most accessible world-class audio products on the market. Featuring two models, each Horizon speaker features high-performance woofers and cloth-dome tweeters, with several available upgrades, creating a true high-fidelity system with brilliant reproduction of vocals, music and movie sound effects—making the Horizon Hz44 Series one of the most dynamic audio solutions for residential and commercial environments.

Key Features

- Custom crafted to match the exact width and finish of any display
- Easily mounts to articulating TVs or to the wall with Leon's brackets
- As thin as 2.25" deep to ensure compatibility with flat-screen TVs
- Solid MDF construction, handcrafted in the USA
- Available as L/C/R, L/R or Center-only channels

Recommended Pairings: Axis AxV60, Detail Ds44UX, Aaros A10-UT
