DECO ALLOY BEZELS

by Frame My TV

Our Alloy line of bezels for Samsung “The Frame” are a sleek line of minimalist frames that work perfectly for both contemporary and transitional spaces. The bezels are forged from solid aluminum in Tennessee and fabricated in Massachusetts. Proudly Made in the USA, these frames are ideal for walls where space is at a premium with the bezels being just 1.5" wide.

With this collection of 11 aluminum bezels, the metal captures color in a variety of gradients from all angles as the light reflects off of each surface.

Alloy Beyels Frame Styles

Premium custom bezels for Samsung Frame TVs in 7 colors all made of solid anodized aluminum.

Each bezel is only 1.5" wide for a sleek and modern look to suit both contemporary and transitional decors.

DECO *Gold* COLLECTION

Finally, a frame perfectly suited for the most discerning decors. Combining old word picture framing techniques, the DecoGOLD collection is the ultimate in luxury. Each DecoGOLD frame is hand gilded in 22k Gold and the wood is hand carved in the same manner as has been done for centuries around the world. This collection of frames are modeled upon classic frames from throughout Europe and through the Gilded Age.

If you are featuring classic period art on your Samsung Frame TV, nothing will finish your work of art quite like our DecoGOLD finished corner frames.

Deco GOLD Frames

Inspired by the Gilded Age and prior, these finished corner frames are as much a work of art as the art they adorn. Each style was meticulously designed by our frame historians to create the perfect frame for your Samsung Frame TV.

Hand Crafted

Individual pieces of 22k Gold Leaf are hand applied to every DecoGOLD frame for a finish only found on the highest quality picture frames in the world. Each frame is custom hand crafted for your television.
